

## How Can I Help

### Prayer Support

We are on the frontlines battling on the enemy's turf. God is using our ministries to pull people out of Satan's hands. Since we are on this mission field here in our own community we can use all the prayer support and covering we can possibly have. Thank you to all who faithfully pray for our ministries and for those doing the ministry. We can feel your prayers and support.

### Financial Support

It cost time and money to run our ministries, from salaries to gasoline to materials to support the growth and discipleship of those in the program. The financial needs of this ministry are provided for solely through specific donations to this ministry. All donations are tax deductible. When you want to support the ministry with a financial contribution we ask that you write your check to: Grace Fellowship Reconciliation Ministries on the memo line. Our accountant will keep track of all donations and at the end of the year you can get a statement for your income taxes. You can mail checks to the following address:

Grace Fellowship Reconciliation Ministries

1201 N. College Ave.

Fort Collins, CO 80524

If you would like to make a regular donation to the minstry, there are several options.

- 1. If you use a bill pay service, you should be able to set up a scheduled payment where you designate Grace Fellowship as the payee and put "Reconciliation Ministries" in the memo line
- 2. We support online dontion functionality that allows you to make donations via PayPal. Look for it on the lower left side of each web page. You do NOT need to have a PayPal account to make donations via this method. If you don't have a PayPal account, you can simply use a Visa, debit card, Mastercard, Discover or American Express. PayPal is a safe and secure way to make regular donations. If you choose to set up a scheduled donation, you can cancel at any time. As with checks sent by mail, you will receive a year end statement of your contributions for income tax purposes.
